To all team members, parents and friends:

To help improve communications with players, parents, alumni and our fans, we ask that you sign-up and enter your information on the web site.

Please take a few minutes to go to the web site and register as soon as possible. As players register and are approved, their information will automatically appear on the team roster, so we need ALL players to register for our on-line roster to be complete! Parents should register, as well!!

This web site will be a big help in promoting our program and attaining section and state recognition for the team, as well as individual recognition for players. Content that we enter, such as photos, "Player of the week", team news, scores, etc. will automatically also show up on a new section and state site. This site is also tied to FOX News and Fox Sports!!!

Please register by 8/28/09

Registration is very easy: **[Go to middletownsoutheagles.com](http://www.middletownsoutheagles.com)**

Click on REGISTER (Near the top center of the page "Sign-in | Register")

Complete the form, and submit

That's it! Registering takes a few minutes and it will help us better communicate with each other, and you get the recognition you deserve for all your hard work.
